TERRA
PORCELAIN

- **Conforms to BS4034 Quality Standard**

Every piece is subject to rigorous quality checks to ensure product quality.

- **Fully Vitrified**

Low water absorption, more hygienic protection against bacterial growth and improved heat retention properties.

- **Microwave, Dishwasher, Oven & Freezer Safe**

Perfect for heating and cleaning requirements, and protection against damage caused by thermal shock and temperature fluctuations.

- **Rolled Edge**

More durable and functional for added chip resistance in busy kitchen environments.

- **Truly Unique**

A glaze formula combined with high temperature firing results in no two pieces look exactly alike. Colour intensity varies from piece to piece, creating a truly distinctive look.

- **Polished Foot**

Reduces damage when stacked and stored.

TERRA
STONEWARE®

- **Style & Colour**

Terra Stoneware® is available in attractive colours and designs suited to various exciting food styles.

- **Microwave & Dishwasher**

Perfect for time-efficient heating and cleaning requirements.

- **Oven & Freezer Safe**

Ideal for protection against damage caused by thermo shock and temperature fluctuation.

- **Coloured Glaze Finish**

Improves stain resistance and durability whilst providing an enhanced appearance.

Inspired by the aging of bronze, Antigo's grey finish with subtle highlights of green captures this process like no other with an unusual sense of historical importance.

Natural variations in the reactive glaze adds to the authenticity of the range.

Our range of classic Enamelware is a traditional yet retro English style. The vitreous, double-coated enamel resists stains and scratches and improves product durability. Like any other ceramic, the outer porcelain layer can chip over time, especially if dropped, revealing the steel beneath it. When this happens, the steel below naturally oxidises, and the enamelware remains safe to use and adds character.

Suitable for serving hot drinks up to a temperature of 65°C, the perfect temperature for serving lattes and hot chocolates.

To reduce the risk of thermal shock, ensure the glass is at room temperature prior to use. We do not recommend using boiling water for these glasses.

The background image is a warm-toned photograph of a meal. In the upper left, a white bowl is filled with a dish of noodles or pasta. In the lower foreground, a white plate holds several rolled-up items, possibly burritos or spring rolls. To the right, a dark-colored glass is partially visible, containing a light-colored beverage. The overall lighting is soft and golden, creating a cozy atmosphere.

CERAMIC LOOK & FEEL

The Creative product's design, detail and quality replicate the look and feel of ceramics & other materials, making it an excellent alternative.

100% FOOD-GRADE MELAMINE

Creative products are manufactured from 100% pure melamine, fully compliant with food grade standards & are regularly tested to ensure compliance with EU directives.

DURABLE & STRONG

Using melamine saves replacement costs, as it's significantly more durable than ceramics, making it the ideal choice for maximised return on investment.

LIGHTWEIGHT & EASE OF USE

Protect users from strains with lightweight melamine dinnerware, allowing them to carry large serving trays, deliver meals faster, and avoid hurting themselves.

DISH-WASHER SAFE

Expedite clean-up and eliminate germs with dishwasher safe melamine. Due to melamine's high heat-retaining properties, it dries faster than standard dishware.

DESIGN INNOVATION

Creative are experts in design and product innovation, delivering outstanding, original designs, precise product customisation and high-standard quality products.

PRODUCT DIVERSITY

Creative offers a diverse range of melamine products, including dishes, ramekins, display slabs, serve-ware essentials & more. Available in a wide range of colours and decorative styles.

Inspired by the unique beautiful marble pattern, Agra provides the perfect natural mineral effect canvas for food display. Replicating the look and feel of authentic marble in a melamine construction, Agra is modernistic, contemporary and will add class and elegance to food presentation. Made from 100% food-grade melamine, the Agra collection is a robust and elegant solution for all food display and tabletop requirements.

- Premium look & feel, replicating marble.
- Wide range of shapes & sizes.
- Durable.

The contemporary and elegant Boston design is inspired by vintage glassware classics of past times. Featuring a comprehensive range of tableware shapes and buffetware items, the modernised interpretation emulates a distinct ribbed aesthetic with stunning fluted shapes reminiscent of another era. An intricate and stylish design that does not compromise on durability and performance.

- Matte & gloss effect available.
- Premium look & feel.
- Ribbed design.

The Osaka collection is made up entirely of melamine, which, thanks to advances in manufacturing technology, looks just like porcelain. With around 40% less melamine used in the manufacturing process, these products still offer lasting performance, durability and are aesthetically pleasing, coupled with being price competitive. Carefully crafted, each plate and bowl in this collection has a textured shimmering white surface, making them exciting as tableware displays.

- Premium look.
- Shimmering textured finish.
